## **Join Us!**

### **OUR VOICE MATTERS**

Join fellow PGCEA members as we engage elected officials on issues facing our educators, the community, and the children of Prince George's County. It is your voice as an educator in the classroom that people trust. We will be speaking with lawmakers about restructuring the PGCPSS school board, overcrowded classrooms, and increased funding for our schools. Beginning at 5p, we will host a member meeting as well as lobby key legislators. Afterwards we will Rally with our union and community partners in support of our issues as well as a statewide \$15 minimum wage, bail bond reform, and rights for DACA immigrants. Please join us!

**For our STUDENTS, for our COMMUNITIES, for our PROFESSION.**
