ARTICLE 1 — PREAMBLE

The Board of Education of Prince George’s County and the Prince George’s County Educators’ Association recognize that the development of a quality educational program for the children of Prince George’s County, Maryland, is a joint responsibility. In entering into this Agreement, both the Board and PGCEA recognize that the experience, creativity and the judgment of both parties are necessary to fulfill the educational needs of the community.

To this end the Board and PGCEA mutually pledge to subscribe to its terms with patience, understanding and good will.

By Resolution, the Board of Education of Prince George’s County designated two units for its certificated employees. This Agreement affects those certificated employees who are members of Unit I, hereinafter referred to as Unit I employee. A copy of the Board’s Resolution is attached in the Appendices accompanying this Agreement.

In the event that a specific program established or desired for a particular school which will improve the quality of instruction requires a modification of this Negotiated Agreement, PGCEA and the Chief Executive Officer of Schools must agree to such discrete modifications. Proposals for modification will be considered on a case by case basis, in writing, for a period of one school year. Additional years may be requested.

1.1 DURATION OF AGREEMENT

This Agreement is made and entered into by and between the Board of Education of Prince George’s County and the Prince George’s County Educators’ Association for the period of July 1, 2022, through June 30, 2025.

On or before January 1 of a negotiating year, representatives of the Board and PGCEA shall enter into discussions regarding the contents of a new Agreement.

1.2 LEGAL LIMITATIONS

If any provision of this Agreement or any application thereof to any Unit I member or group of Unit I members is held to be contrary to law by a court of competent jurisdiction, such provision or application will not be deemed valid and subsisting, except to the extent permitted by law, but all other provisions or applications will continue in full force and effect. The parties will meet not later than ten days after any such ruling for the purpose of considering the implication of said ruling and developing an interpretation for the employees. Nothing in this Agreement is intended to deny or abrogate any of the powers or responsibilities of the Board and the Chief Executive Officer that have been assigned to them by any Maryland Law or regulation of the State Board of Education, except as specifically enumerated as conferred hereafter as a unit member’s rights, privilege, salary or fringe benefit.

1.3 COMMUNICATIONS IN WRITING

Any written communication to be given by one party or the other under this Agreement, will be given by email, and/or registered mail, or regular carrier. If given by the Board, said notice will be sent by email, or by registered mail, and/or regular carrier to the Prince George’s County Educators’ Association, 8008 Marlboro Pike, Forestville, Maryland 20747. Email communication shall be sent to the PGCEA President and Executive Director. Either party may, by written notice, change the address at which notice to it may be given. The PGCEA President and Executive Director will be included in any system wide or Unit I employee related communications. Such communications will be sent to the PGCEA email addresses shared by the Association.

1.4 DISTRIBUTION OF AGREEMENT

Within thirty (30) days ratification by the members, copies of this Agreement will be distributed by the Board on its website for all employed and newly hired Unit I members. All PGCEA Association Representatives, building principals and PGCEA shall be provided hard copies. Hard copies shall also be available to unit members upon request. PGCEA and the Board will agree on the format to be used and will share the cost of printing.

1.5 STRIKE AND WITHHOLDING OF SERVICES

In accordance with Education Article, Annotated Code of Maryland, Section 6-410, PGCEA, or any group of employees represented by PGCEA, shall be prohibited from calling, or directing, or abetting any strike, slow down or any action which interferes with the operation of the schools.

1.6 RATIFICATION

This Agreement, when ratified and duly signed by the President of PGCEA, the Executive Director of PGCEA, the Chairperson of the Board and the Chief Executive Officer shall be valid and binding for the duration of this Agreement.

1.7 FINALITY OF AGREEMENT

Nothing contained herein shall be deemed to supersede any provision of the Constitution or the Code of Maryland. Monetary matters agreed to herein shall not be reopened for any cause, other than as set forth in Section 1.01 hereof and for interpretation, for the duration of this Agreement without the mutual consent of both parties.

1.8 LABOR MANAGEMENT RELATIONS COMMITTEE

The parties agree that there shall be a committee composed of not more than four members appointed by PGCEA and four members appointed by the Chief Executive Officer. The Committee will be co-chaired by the Chief Executive Officer/designee and the Association/designee. The parties agree to collaborate in a respectful and meaningful manner and within a timeframe that provides an opportunity to formulate solutions to common issues. The committee will meet monthly or as otherwise mutually agreed to exchange views and information, address matters of interest and mutual concerns and explore opportunities for mutually advantageous ways to improve the relationship between the parties and improve the effectiveness of the school system. The Labor Management Committee will, as the parties deem appropriate, establish subcommittees to address topics of mutual interest that will enhance the work environment for staff.

The parties agree that this Committee is solely for the purpose of exchanging views and information and shall not be deemed or construed as a substitute for collective bargaining or the grievance process.

It being expressly understood that, absent a showing of gross negligence on the part of the Board employees charged with the supervision of payroll deductions of dues, the Board shall not be responsible to PGCEA for any dues not withheld.

J. PGCEA Association representatives will be permitted time to make announcements at the end of faculty meetings, provided Unit I members who do not wish to stay will be free to leave the meeting.

K. Except as to bylaws and rulings by the State Board of Education to the contrary, the rights granted to the Association shall not be granted to any other employee organization during the term of this Agreement.

L. No more than a total of two-hundred twenty-five (225) days aggregate and cumulative for all professional employees or six (6) days for any one individual shall be approved in any school year. Exceptions to this provision shall be a ten (10) day maximum for the elected treasurer of the Association and one other individual designated by the Association. Other exceptions may be granted upon approval by the Chief Human Resources Officer. When the immediate supervisor is unable to make emergency arrangements, the Board will be reimbursed by PGCEA for the cost of substitutes used on a full or half-day basis. Application for such leave shall be made in writing to the Chief Human Resources Officer as far in advance as practicable and ordinarily at least forty-eight (48) hours in advance. PGCEA and its officers recognize and agree that this privilege should not be abused. This section does not apply to summer school teaching. The Board will develop appropriate leave codes for use when PGCEA members are absent from their work location for professional organization involvement leave.

If the Friday of the Annual Convention of the Maryland State Education Association (MSEA), is scheduled as a Unit I professional development or other non-student workday, attendance at the Convention shall be accepted by PGCEPS as appropriate use of that day. Unit I employees not attending the Convention shall have the opportunity to work virtually or in person. Should it be a scheduled student instructional day, the Board will grant up to 200 days for use by PGCEA members who are elected as representatives to the Annual Convention of the Maryland State Education Association (MSEA). Use of such leave requires PGCEA to submit a master list of approved names to the Chief of Human Resources.

4.4 LEAVE WITH PAY FOR PGCEA’S PRESIDENT
The Board shall release the person duly elected as President from normal assigned duty to function on a full time basis for PGCEA. PGCEA will reimburse the Board for the salary and fringe benefits the President normally would receive. The President will be treated as though on sabbatical leave.

An individual employed by the Board as an eleven (11) month employee shall receive one (1) additional month’s salary with all related costs to be reimbursed to the Board by PGCEA. Said increase in salary shall be treated as normal salary for retirement purposes during the period of approved leave.

4.5 FACULTY ADVISORY COUNCIL
A. A Faculty Advisory Council is to be established by the Unit I members in every school, work site or department.

B. The Faculty Advisory Council (FAC) shall consist of:
1. The elected head Association Representative, and a group of Unit I members elected by the faculty at the rate of one for every ten (10) Unit I members or portion thereof. No site shall have less than four (4).
2. Once elected, the members of the FAC shall elect a Chair and Secretary.

C. The elected Association Representative(s), or any four Unit I members shall issue a call to organize the FAC and the election procedures will be determined by the Unit I members of the school, work site or department. Once elected, FAC members shall serve until the start of the subsequent 10-month employee work year.

D. At the above meeting where the membership of the Faculty Advisory Council is set, the faculty shall determine the parliamentary authority as consistent herein and what shall constitute a quorum for a Faculty Advisory Council meeting.

E. Meetings with a specific agenda, which have been made known to the faculty prior to the meeting, may be held at the call of:
1. The Chair
2. Any three members of the FAC

F. The purpose of the FAC is to provide the Unit I members with a mechanism by which they may discuss school operating procedures, curriculum development, scheduling of meetings, instructional programs, budget requests and any other areas of professional concern. Its function shall be solely to advise the principal/supervisor of any given worksite on internal matters and nothing in this Agreement shall be so construed as to authorize or enable the FAC to effect unilateral changes in county-wide educational policies as may from time to time be established in accordance with the laws of the State of Maryland.

G. Minutes of every meeting, including all FAC recommendations, shall be prepared for release to the Unit I members. Any action on FAC recommendations shall be reported on the agenda of the subsequent meeting and the principal/supervisor will inform the FAC of the rationale for the action. School administration will respond to concerns raised by the FAC in a reasonable amount of time.

H. Upon the formation and organization of the FAC, the chair of the FAC of each worksite shall send a copy of the roster to PGCEA and to the principal or supervisor designated by the Chief Executive Officer.

I. Unit I members, who are not assigned to a school faculty, may form a representative group to meet with the supervisors of such employees on a regular basis.

J. The Chair of the FAC or designee shall serve as a representative to the school improvement/planning team.
ARTICLE 5 — GRIEVANCE PROCEDURE

A. Purpose
The goal of a grievance procedure is to secure at the lowest possible level an equitable solution to complaints and/or grievances which may arise from time to time. Both parties agree that these proceedings shall be kept confidential at each level of this procedure. Every effort must be exhausted at each step before appealing to the next step.

B. Definitions, as applied to ARTICLE 5.
1. A complaint is any problem or misunderstanding that can be settled orally between the parties involved.
2. A grievance is any unsettled complaint by a Unit I member(s) or by PGCEA on its own behalf of an alleged violation or misinterpretation of this Agreement except as provided in ARTICLE 9 and ARTICLE 11.
3. An aggrieved person/party is a Unit I member(s) making the claim.
4. The term Unit I member(s) includes individuals or groups who are members of the bargaining unit covered by this Agreement.
5. A party of interest is the person(s) making claim and person(s) who may be required to take action or against whom action may be taken in order to resolve the claim.
6. The term days shall mean days other than Saturday, Sunday and School Holidays. In the event a grievance is filed on or after June 1, the time limits set forth herein shall be reduced so that the grievance procedure may be exhausted prior to the end of the school term or as soon thereafter as is practicable.

C. Procedures
Unit I member(s) electing to use the grievance procedure are required to follow the steps outlined below specifically. Since it is important that grievances be processed as rapidly as possible, the number of days indicated at each level shall be regarded as a maximum, and every effort shall be made to expedite the process. The time limits specified may, however, be extended by mutual agreement between PGCEA and the Administration.

Step One
A Unit I member(s) with a grievance shall first discuss it informally with that person’s immediate supervisor within eight (8) days of the alleged wrong. If requested, a PGCEA Association Representative and/or official PGCEA designee may meet with the parties involved. A principal or supervisor who schedules such a conference may request representation from the office of the Chief Human Resources Officer.

Step Two
1. In the event that the aggrieved party is not satisfied with the outcome of the oral conference or the principal or supervisor does not schedule a conference when one is requested within eight (8) days, he/she shall submit a grievance in writing on the form provided by PGCEA within ten (10) days of said conference. If the aggrieved person so chooses, a PGCEA representative will assist in writing the claim.
2. Within ten (10) days, the principal or supervisor will, on the form provided, write a response.

Step Three
In the event the aggrieved party is not satisfied with the decision of the principal or supervisor, the grievant will, within fifteen (15) business days by mail, by hand, or email cause to be delivered the copy of the complaint and its answer to the Chief Human Resources Officer and one copy to PGCEA. The Chief Human Resources Officer will have twenty (20) business days from receipt of the grievance to render a written decision. The Chief Human Resources Officer or designee may schedule a meeting with the aggrieved party or may refer the matter to the appropriate Associate Superintendent for a conference, if such a meeting or conference might serve to resolve the grievance at this step. If the decision is made to schedule a meeting or a conference, it shall be held at the earliest mutually convenient time. In such instances, the timeline for written response will be adjusted. A PGCEA staff member may be present at the meeting or conference. Copies will be sent to the aggrieved person, the principal or supervisor and PGCEA.

Step Four
If the aggrieved party is not satisfied with the decision of the Chief Human Resources Officer or if the Chief Human Resources Officer fails to render a decision within the prescribed time, PGCEA will have 15 business days in which to provide written request for Arbitration. Upon receipt, an arbitrator shall be appointed from a panel consisting of three (3) mutually agreeable arbitrators and six (6) additional arbitrators with three (3) named by PGCEA and three (3) named by the Board annually on or about July 1 of each year. Each of the parties may replace their selected arbitrators during the year. The three (3) mutually agreed arbitrators may only be changed, if necessary, by mutual agreement of both parties.

Selection shall be made by alternately striking names from the list until one name remains within thirty (30) days of receipts of the grievance at the Step 4 level. Such person shall be designated as the arbitrator.

The parties understand and agree that those matters not covered by this Agreement are, consistent with Section 1.06 herein, reserved for Board policy and that, therefore, only grievances as defined in Section 4.02 herein are subject to arbitration under this Agreement. The arbitrator’s decision shall be final and binding on both parties, subject to the following principles:
1. The arbitrator shall be limited to considering only the issues submitted by the grievant at the time of the filing of the demand for arbitration and such issues as are submitted by respondent or other issues mutually agreed to thereafter.
2. The arbitrator shall have no authority to add to, subtract from or otherwise modify the terms of this Agreement.
3. The arbitrator shall state in the decision that the decision, including any relief granted, does not abridge those matters reserved for Board policy.
4. The arbitrator’s decision must be consistent with the terms of this Agreement, Board of Education Policy, Rules, Regulations and State Law.
5. Any arbitration award involving back pay shall be limited to available funds in applicable budget categories. Any issue between the parties concerning the availability of funds to satisfy such an award may be referred to the arbitrator who issued the decision or to any other arbitrator acceptable to the parties. No award for back pay shall be retroactive beyond the equivalent of one (1) teacher work year (i.e. 192 days for a 10-month), as such period is measured from the date of such award.

D. Miscellaneous
1. A grievance may be withdrawn at any level without prejudice or record.

2. Copies of all written decisions of grievances shall be sent to all parties involved and the PGCEA Executive Director.

3. No reprisals of any kind shall be taken by or against any party of interest or any participant in the grievance procedure for reason of such participation. The fact that a grievance is raised by an employee shall not be recorded in the employee’s personnel file or in any file or record utilized in the promotion process; nor shall such fact be used in any recommendation for job placement.

4. Grievances shall be filed on the official personnel grievance form.

ARTICLE 6 — WORK YEAR/WORK DAY

6.1 WORK YEAR

A. Unit I members employed for ten months may be scheduled to work 192 days in the school year.

1. Subject to the PGCPSC Calendar, of the above number of days, time will be scheduled for Unit I members when students are not in attendance on a day near the end of each of the first, second and third grading periods in order that Unit I members will be able to devote such three one-half days to complete required grades and other reports. Unit I members have the option of completing each of these three half days at an alternate worksite of their choice.

2. During the duration of this agreement two (2) full duty days preceding the first student day and one (1) duty day at the end of the school year shall be scheduled by the principal exclusively for Unit I members to work in their classrooms or other assigned work locations independently to prepare for the opening and closing of the school year. If adjustments to the PGCPSC Calendar result in only one non-instructional day remaining at the end of the year, that day will be scheduled for Unit I members to work in their classrooms while also completing the required checkout procedures for their school/work location.

3. In preparation for the Middle States Evaluations of High Schools, the chairperson of each official faculty committee shall have scheduled the equivalent of one work day for the purpose of preparing required reports in the evaluation process. Official faculty committees shall be those determined in Section 1-10, including the subcommittees of Section 4 in the Evaluative Criteria edition being used by that school. The school-wide Chairperson of the Middle States Evaluation Committee shall have scheduled the equivalent of three (3) work days to complete report.

4. New Unit I members shall have three (3) days assigned as pre-service days in addition to the 192 days scheduled for all ten-month employees. These days will be scheduled by the Office of Professional Learning and Leadership for the purpose of professional development activities, team planning and employee activities. These days shall not be used as student contact or instructional days. Unit I members participating in these pre-service days shall be paid at their per diem rate of pay. Unit I members hired within 10 business days of the start of the scheduled pre-service days shall not face disciplinary action if they are unable to attend.

5. One full day during the scheduled school year for students specified for Professional Development, Unit I members will have self-directed professional development at a worksite of their choice. The CEO will formally announce the specific date.

6. The Board of Education (BOE) shall provide reasonable make-up days and/or sessions to resolve any absences. The BOE may also waive the days at its discretion.

a. Unit I members employed for eleven months will work two hundred and twelve (212) days. Thirty (30) days prior to the beginning of the work year, eleven-month personnel will be provided with a copy of a tentative schedule listing when their required contract days will be worked. Where possible this schedule will be worked out after input from the affected Unit I member. The schedule will provide a period of at least three consecutive calendar weeks when there are not any duty days scheduled, unless there is mutual agreement to do otherwise.

b. Unit I members employed for twelve-months are expected to work on days schools are closed for emergencies unless the Central Offices are closed.
7. Professional School Counselors shall be eleven (11) month Unit I positions – effective June 1, 2023.

Failure by the Unit I member to sign the formal observation or evaluation does not negate the observation or evaluation. Forms can be signed electronically. Formal observations and evaluations of Unit I members shall only be done by administrators who have been certified in the PGCPSS Evaluation System.

Unit I members shall have the opportunity to include a rebuttal to formal observations which shall be attached to the observation form as a part of the record within 30 days of the completed observation. This rebuttal does not alter the completed evaluation/observation.

4. The June 1 deadline above is based upon estimated pupil enrollment and preliminary staff allocations. Changes in student enrollment after June 1 may result in further staff reductions prior to the opening of school. A teacher affected by such a change however may request within five (5) days of notification a conference with the Associate Superintendent or designee. A PGCEA representative may be called in by the teacher.

B. The principal shall notify a teacher in a private conference by June 1 that the teacher will be a staff reduction. Final notification will be given in writing by the Division of Human Resources after notification by the principal.

C. If a teacher is involuntarily transferred during the school year or after the opening of school for any one year, the salary shall not be reduced for the remainder of the initial year of the transfer.

D. Teachers to be involuntarily transferred will be reassigned ahead of teachers returning from an approved leave of absence and new hires. After July 15, teachers to be involuntarily transferred will be reassigned ahead of teachers requesting voluntary transfers.

E. In referring teachers who had been declared staff reductions to existing vacancies, system wide seniority in the subject area will be the determining factor in establishing the order of referrals.

F. A person to be involuntarily transferred shall be referred for a maximum of three interviews to principals of schools where there are approved vacancies within their area(s) of certification. A maximum of five (5) work days after the interview and selection will be permitted for the teacher to advise the Division of Human Resources regarding the acceptance or non-acceptance of the position. Acceptance of the position shall be acknowledged when the teacher and the receiving principal complete the designated form. If a teacher does not accept any of the positions to which referred and/or selected, the Division of Human Resources will assign the teacher to an existing vacancy.

G. Any teacher who is involuntarily transferred after the first work day for returning teachers at the beginning of a school year shall not be involuntarily transferred again after the first day of a new school year for three succeeding years. A teacher involuntarily transferred after the first work day who wishes to request a voluntary transfer out of the new assignment must do so in accordance with the provisions of Article 10.2. If said teacher does file a timely request for transfer, the teacher shall be considered as an involuntary transfer and will be given the same consideration in determining school transfer as is given to other involuntary transfers. No involuntary transfer for reasons of correcting prior scheduled staffing will be made after September 30, except if special, unanticipated problems arise in secondary assignments, an involuntary transfer may be effectuated at the secondary level until October 15.
I. An administrative transfer requested by the immediate supervisor for a reason other than reduction in staff or change in ratio must be approved by the Chief Human Resources Officer prior to the completion of the transfer. The teacher shall be given written notification by the immediate supervisor with specific reasons behind the intent to request the transfer prior to May 15, and given an opportunity to write a rebuttal by June 1, for the record. In the event the immediate supervisor and Chief Human Resources Officer still wish to proceed with the transfer, the Chief Human Resources Officer and the President of PGCEA or their designees shall meet to discuss outstanding concerns not hereunder covered, prior to the transfer being implemented.

J. An administrative transfer may be requested by the PGCEA President via a master list by May 1 sent to the Chief Human Resources Officer for consideration. The list should include specific reasons for the transfer.

K. The grievance procedure may be applied to Section 10.3 only with regard to an allegation that procedures set forth herein have not been complied with or that the employee alleges and proves discrimination on the part of the person charged by said employee.
ARTICLE 11 — PERSONNEL EMPLOYMENT

11.1 Reduction in Force

A. Process

In any reduction of Unit I member necessitated as a result of budgetary actions, declining enrollment or curriculum and/or administrative reorganization, Unit I members shall be laid off solely on the basis of certification in the subject field assignment and on system-wide seniority as defined in Article 3, number 10. For purposes of this section, all elementary teachers (1-5) will be considered as having the same subject assignment.

A teacher who holds a teaching certificate in a second subject area, and who has taught in that subject-field assignment in Prince George’s County Public Schools since the most recent date of employment, may be assigned to that subject field provided that teacher has greater seniority than the least senior teacher assigned to the subject field.

No lay-offs of Unit I members shall be effectuated without the Board, through the office of Division of Human Resources, first exhausting all of its best efforts to have such personnel reassigned to another subject field providing that appropriate approvals of interim or provisional certifications can be obtained from the State Department of Education, and provided further that a reassigned teacher shall be required to work toward certification in the new area of assignment at a minimum rate of six (6) credit hours per year. In the event, however, that upon a finding by the Chief Human Resources Officer it appears that reassignment is not feasible and as a last resort there must be lay-offs, then and in that event, lay-offs shall be affected within the following categories in the order noted:

First: In continuing order of least system-wide seniority in the subject field taught, severance shall be restricted to persons holding a provisional certificate.

Second: Thereafter, in continuing order of least system-wide seniority in the subject field taught, severance shall be restricted to non-tenured employees.

Third: Thereafter, in continuing order of least system-wide seniority, tenured employees holding a Second Class Certificate.

Fourth: Thereafter, in continuing order of least system-wide seniority, tenured employees holding First Class Certificate.

While a lay-off continues, no new hires shall be permitted except in the unique circumstances where: (a) there are no Unit I members on lay-off qualified to fill a vacant position, or (b) all qualified Unit I members on lay-off decline the offer to fill the vacancy.

B. Recall Rights

Unit I members shall (a) receive official notice by phone or registered mail at least four (4) working days in advance of their deadline for determining whether to exercise recall rights, (b) shall be available to begin within thirty (30) days, (c) retain recall rights for a period of three (3) years and (d) except for proven medical disability, a teacher who declines an offer of vacancy in their field of certification shall forfeit all recall rights, provided, however, that a laid-off employee who has accepted employment with another public school system in the State of Maryland and is unable to get released from his/her contract, may decline an offer to return to work if the offer of vacancy is issued later than July 1 for a position to become available at the beginning of the new school year.

Employees on lay-off shall be granted, during the period that they are vested with recall rights, the option of paying 100% of the premiums due on any hospitalization, dental insurance, optical insurance, life insurance or health maintenance organization plans as the Board may have available for its employees at the time of lay-off, provided that the insurance coverage is such as to permit this participation.

The parties understand and agree that the Board is vested with the sole discretion to determine whether or not a lay-off is necessary. Therefore, the grievance procedure may be applied to this Section 11.1 only with regard to an allegation of arbitrary and capricious non-compliance with the procedures set forth herein and only then on a case by case basis.

(The provisions of this policy, 11.1, apply to all personnel covered for this Agreement except those persons while paid on Differential Schedule A.)

11.2 Job Security

For the duration of this Agreement, no permanent Unit I member will lose employment due to services being provided by an outside contractor, provided that such Unit I member will accept temporary assignment to a position on the same Teacher’s Salary Schedule to which such Unit I member would be otherwise entitled.

The foregoing provision shall not apply in the event the Maryland State Department of Education mandates that services are to be provided by an outside contractor and as a result, the Board does not have sufficient vacancies to transfer the affected Unit I member. Under such circumstances the provisions for Involuntary Transfer (1.3) and Reduction in Force (11.1) will apply.

11.3 Separation of Employment

A. The Board of Education will accept the resignation of any non-tenured Unit I member submitted prior to May 1 without prejudice, provided that the said Unit I member has not been recommended by the Chief Executive Officer for termination or non-renewal due to cause.

B. 1. A tenured Unit I member wishing to voluntarily terminate employment must give written notice to the Human Resources Division on or before July 15. Non-tenured Unit I members must provide such written notice no later than May 1.

C. 2. All Unit I members who notify the Human Resources Division by April 1 of their intent to vacate his/her position for next school year will be provided with an effective date of July 1 and will have their health insurance continued until August 31 of the same year.
ARTICLE 12 — RIGHTS AND PRIVILEGES OF UNIT I MEMBERS

A. Unit I members shall not be restrained from joining nor required to join PGCEA by either the Board or PGCEA or any of their representatives.

B. Nothing in this Agreement shall deny or restrict any Unit I member’s full individual rights under the Laws of the State of Maryland or the United States of America or under the Bylaws of the State Board of Education.

C. The Board and PGCEA shall continue their policy of not discriminating against any Unit I member on the basis of race, age, creed, color, national origin, gender, sexual orientation, marital status, or membership in any teacher organization.

D. Academic Freedom
   1. In performance of their teaching functions, Unit I members shall be responsible for presenting all sides of an issue and for providing students with the opportunity to investigate all facets and/or opinions of or about any and all germane topics and materials of the curriculum introduced or presented and shall have a special responsibility to provide such opportunity with regard to those topics of the curriculum which are or may be of a controversial nature. Such germane material presented to students must be of appropriate maturity level and intellectual ability of the students.
   2. The Unit I member shall have the right to express personal opinions on germane matters and shall further be responsible to permit the expression of the views and opinions of others and to encourage students to examine, analyze, evaluate and synthesize all available information about such topics and materials and to encourage each to form independent views and opinions through such procedures.
   3. Unit I members shall at all times strive to promote tolerance for the views and opinions of others and for the right of individuals to form and hold differing views and opinions.
   4. To the extent permissible by law, the Board shall support Unit I members adhering to the above procedures and shall in no way recriminate against same so long as said Unit I members adheres to the procedures outlined above. Nothing herein is, however, to be so construed as to render immunity to any Unit I member for acts which are libelous, slanderous, or which in any way violate the civil rights of others.
   5. Student grade changes will be handled in accordance with administrative procedures.
   6. Efforts should be made to schedule parent conferences at mutually agreeable times and to provide at least 24 hours’ notification of the conference unless the principal determines that it is an issue that needs immediate attention.
   7. The Administration will inform the educator within the first ten (10) days of the 10-month Unit I member work year, as to the schedule for submitting student grades at the end of each marking period in compliance with the Board adopted school calendar. Unit I members will not be required to submit (interim, semester or final) grades prior to the end of the calendar day established for grade completion by the Prince George’s County Public Schools calendar.
   8. Lesson Planning is an important first step in effective instruction. Lesson planning helps educators organize content, materials, time, and instructional strategies to create a smooth instructional flow and structure for learners. Lesson planning identifies what students will learn and how students will be assessed. Educators develop lesson plans to guide teaching and learning. Lesson planning requirements shall be made based on the following tenets:

   1. Daily lesson plans should be available either electronically or in hard copy upon request. Educators shall not be required to submit lesson plans except in the cases of formal observations; if the member is on a formal growth improvement plan or in instances where there is evidence of communicated concerns on lesson planning, preparation, and/or implementation. A timeline for submissions and a check in date will be provided to determine if there is improvement and/or the need for continuation.

   2. Lesson plans will receive actionable and timely feedback if submission is being required by an Administrator as part of formal observations; if the member is on a formal growth improvement plan or in instances where there is evidence of communicated concerns on lesson planning, preparation, and/or implementation. A timeline for submissions and a check in date will be provided to determine if there is improvement and/or the need for continuation.

   3. Educators may use the suggested daily lesson plan templates identified by the content supervisor. Lesson plans required for formal observations will be presented in the required FfT format.

   4. Educators may utilize curriculum documents and sample lesson plans provided by the District. They will not be required to rewrite sample lesson plans; however, there must evidence that demonstrates plans have been modified and differentiated to meet the needs of the learners in the classroom.

If extenuating circumstances prevent a final report from being issued or a decision made regarding the Unit I member’s status within 45 days, the Director of ELRO shall notify the Unit I member as soon as practicable and the temporary assignment shall continue.

E. The personal life of the Unit I member or the participation or non-participation in religious, political or educator association activities of an Unit I member conducted outside duty hours and off school property shall not be grounds for disciplinary action unless such action is shown to interfere with the regular conduct of the school or schools in Prince George’s County.

The Board, therefore, guarantees to all of its Unit I member’s full equality with other citizens in the exercise of their political rights and responsibilities including such rights as voting, discussing political issues, campaigning for candidates and running for and serving in public office.

The Board, however, wishes to stress that it, and the public schools, serve all segments of the community without reference to political affiliation. The Board feels strongly that its employees have a responsibility to refrain from involvement in political activities during the working day and in the school setting. At no time is the pupil in the public school to be regarded or used as a forum by an individual for political activity.

The Board believes that a prerequisite to a high quality in education is the acceptance by the community and by governing bodies of their responsibilities in recognizing the political and professional status and rights of all citizens and in the interest of encouraging political and professional involvement of qualified employees, guarantees that in the event of election to public office, the employee will not incur loss of tenure or retirement benefits within the framework of State legislation. I. PGCPS will continue to provide training, policies and administrative procedures to promote atmospheres where Unit I members are not subjected to harassment, hostility, humiliation, and bullying.

J. No Unit I member will be required to enter a non-PGCPS facility, such as a family home or third-party childcare facility, to complete their work or provide services, unless it is a part of their written job description. Unit I members shall have the right to refuse to enter a non-PGCPS facility based upon a reasonable concern for their personal safety. In such cases the visit will be rescheduled after safety concerns have been reported to the appropriate supervisor for a mutually agreed upon resolution. Should resolution not be reached, it will be referred to the Associate Superintendent for a decision.
