

2023 PGCEA General Election Guide

PGCEA's governance structure is similar to the state (MSEA) and national (NEA) affiliates. Each organization conducts its own election. The PGCEA Nominations, Elections and Credentials Commission (NECC) holds general elections annually in which the members choose their officers, board of directors, MSEA and NEA delegates and update association Bylaws as necessary.

On the following pages, you will find information, as written by the candidates, for PGCEA Treasurer (serves a three (3) year term - 2023 - 2026) and the PGCEA Board of Directors-At-Large (four seats available, each serves a two year term - 2023-2025). Also, included is a list of candidates for NEA Delegates (42 seats available) and MSEA Delegates (147 seats available)

PGCEA TREASURER serves a three (3) year term and is responsible for the fiscal affairs for the association and the preparation and oversight of the association budget.

BOARD OF DIRECTORS (BOD) is composed of three elected officers (president, vice president, and treasurer) plus eight elected at-large members.

The Board is responsible for the fiscal affairs and general management of the Association, the interpretation of policies, the preparation of the proposed budget, and much more. The PGCEA Board of Directors sets the course for PGCEA and decides how to use its staff and resources.

MSEA DELEGATES and NEA DELEGATES represent PGCEA's interests at the annual state (MSEA) and national (NEA) Representative Assemblies.

Election	Delegate
MSEA DELEGATES (LOCAL)	PGCEA MSEA Delegates discuss and vote on proposed bylaw amendments, new business items, and resolutions at the MSEA Convention in October.
NEA DELEGATES (LOCAL)	PGCEA NEA Delegates adopt the strategic plan and budget, resolutions, the legislative program, and other policies at the NEA Representative Assembly in July.
STATE/REGIONAL DELEGATES (NEA)*	MSEA State/Regional Delegates to the NEA Representative Assembly and Convention are 70 elected by MSEA members across the state of Maryland. These elections take place via the MSEA Election Ballot. These individuals represent the State of Maryland at the NEA Representative Assembly in July.

BY-LAWS: The PGCEA By-Laws are the governing documents of the Association. These By-Laws may be amended by the affirmative vote of two-thirds (2/3) of those regular members voting and may not be changed more than once during a fiscal year.

There are three (3) proposed By-Law amendments on the ballot for your vote. The proposed By-Laws can be viewed on the PGCEA website (pgcea.org) and a link will be placed on the official PGCEA General Election Ballot.

WHY SHOULD YOU VOTE?

PGCEA, MSEA and NEA collectively advocate for educators employed by the public school system. They are the educators' protector in employment related matters, wage and benefits watchdogs and organizers who fight for fair funding. PGCEA is one of the top twenty largest locals in the country and the second largest local in Maryland. Unified PGCEA members have a powerful voice throughout the organization. This begins with members choosing colleagues to govern and represent the interests of the union at the county, state and national levels.

VOTING IS QUICK AND EASY! IT'S ON-LINE!

From January 30, 2023 – February 17, 2023

Board of Directors Candidate 7 of 14

Chrystie Lynch attended Howard University in Washington, D.C. where she received a Bachelor of Business Administration degree. She subsequently received a Master of Educational Leadership from Concordia University, Portland, OR. Chrystie has taught elementary grades 3 through 6 and middle school math. She is currently a High School Math Special Education Teacher with over 20 years of teaching experience.

Chrystie currently serves on the PGCEA Board of Directors and is the Board Liaison to the Racial and Social Justice Committee. She has served as the PGCEA Government Relations Committee Chairperson and the Endorsement Committee Chairperson. Chrystie serves as a delegate to MSEA and NEA Conventions. She has also served as PGCEA Faculty Advisory Chair and Building Representative consistently holding administration accountable for honoring negotiated planning times and safe working conditions. In 2019, she served on the Bargaining for the Common Good Contract Negotiation Team which successfully negotiated multi-step salary increases and better working conditions for educators. It was the precursor to our recent Negotiations Team that achieved even greater gains.

She is a Union activist that believes in the power of the Union. Chrystie has testified before the Prince George's County Council in support of funding and the PGCPs School Board for appropriate allocation of funding to support educators' salaries. She lobbied the legislature to support passing the Kirwan bill and to put a lockbox on casino funds to ensure funds are available for education.

Motto: In order to Lead, you must be willing to Serve.

O'DONNELL, TAMMY

Board of Directors Candidate 8 of 14

My name is Tammy O'Donnell, and I am running for PGCEA Board of Directors.

The work that the union does is hard work. It is necessary work. That has never been truer than now. This district has not been doing its part to ensure our children get the education they deserve. We have not been appreciated for the work we do. We face challenges to our profession and our work daily. But these kids need us. We are dedicated to the work we do but we need the support and advocacy of our leaders. We need to create a sense of community within our district that is sorely missing. Our union is strong when we use our voices. That was evident during negotiations. My voice spoke for us. Not just me. Not just my co-workers. But for US. We need to be heard. I will stand up for us, for our students and for our profession. I have done it before in ways big and small. I have been to Board meetings and shared the frustration of not having the tools needed to do my job. I have attended Rep Council meetings and urged members to be active in our union and to build community in their buildings. I have attended MSEA meetings, Facebook live events and marches because our union is stronger when we participate. There is still much work to be done and we need a Board of Directors who will roll up their sleeves, come to the table, listen to members, and provide solutions in a collaborative way. This is my passion. I want to be that voice. I want to do this work. I can make a difference.

This is my seventh year working for PGCPs, first as a Middle School English teacher and now in my third year as a High School English teacher at CMIT North High School. I have been an active member of PGCEA since my first year and have steadily become more involved in union work. I have been a building representative, an FAC member and a Southern Regional Rep. I was proud to serve as a member of the negotiations team and am I currently the co-chair of the social committee.

As a presenter of Organizing 2 for MSEA's Summer Leadership Conference the last two years, I have worked with other union leaders to strengthen the membership and provide resources for building a strong building site. I have attended the MSEA Conference every year and last year I served as a delegate for MSEA. My work for the union is not finished. I humbly ask that you give me the opportunity to do this hard work with you and for you.

ROBINSON, JUSTIN

Board of Directors Candidate 11 of 14

Justin Robinson is a National Board-Certified Teacher currently teaching eighth grade math at Drew-Freeman Middle School. In the last 12 years working for Prince George's County Public Schools, he has taught all four content areas and students in grades 6-12. He enjoys supporting middle school math instruction as a summer curriculum writer, a presenter, and a numeracy coach. In addition, Justin has served in a variety of leadership roles from Math Department Chair, Grade Level Chair, Master Scheduler, PBIS Coach, ELO coordinator, and textbook adoption committee member.

As a member of the association Justin's most significant contributions have been to the Negotiations and Blueprint Committees. By participating in two bargaining cycles, Justin learned a lot about the needs and priorities of the membership that will be invaluable as a member of the Board of Directors. He considers himself lucky to have used his natural interests in research and math to help persuade the district to increase its financial package. In the Blueprint Committee, Justin is working with PGCPHS Human Resources and the University of Maryland to represent the needs of the members as we jointly develop a Career Ladder. As a classroom teacher in a k-8 academy, a middle

school, and a high school, Justin has been able to articulate the perspective of different Unit 1 Members to the people who don't walk the halls of our buildings and he will bring the same level of advocacy to the Board of Directors. Finally, Justin is a co-chair for the Leadership & Professional Development Committee where he has had a chance to meet and learn with members from all around the district and in varying capacities. In this role, Justin has really come to appreciate the talent we represent as Unit 1 Members and the creativity we wield in support of our students.

As a product of PGCPs (Go ERHS Raiders!) Justin has been excited to return home to teach and is equally excited to continue to advance the education system here in Prince George's County as a member of the PGCEA Board of Directors. He brings to bear the institutional knowledge, strategic understanding, and spirit of innovation that will help PGCEA push PGCPs to be what our membership and our students deserve.
