

BLUEPRINT

FOR MARYLAND'S FUTURE

1. EARLY CHILDHOOD EDUCATION

- Expand PreK slots for 3 and 4-year-olds.
- Prioritize slots for students with disabilities, non-English speakers, and homeless children
- Train all teachers in the Science of Reading

2. RECRUITING HIGH-QUALITY TEACHERS

- Pay teachers more money
- Recruit more diverse teachers
- Train teachers better
- Give teachers more professional support
- Encourage teachers to become a National Board Certified Teacher

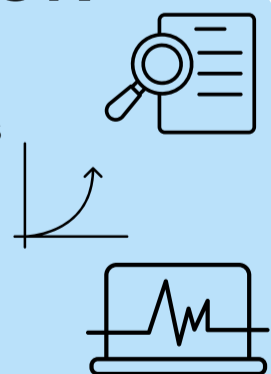

3. COLLEGE & CAREER READY

- Provide career counseling for all students in grades 6-12
- Expand opportunities to take college courses
- Engage 45% of high schoolers in Career & Technical Education (CTE)

4. MORE RESOURCES FOR STUDENTS

- More educational support for multilingual learners
- More educational support for students with disabilities
- Better resources for students living in poverty
- More resources for mental health and wellness

5. GOVERNANCE & ACCOUNTABILITY

- A new financial system will track how student funds are spent
- A team of experts will visit schools and provide feedback on Blueprint implementation
- The voices of all will be included in this process
