

2025 PGCEA General Election Guide

PGCEA's governance structure is similar to the state ([MSEA](#)) and national ([NEA](#)) affiliates. Each organization conducts its own election. The PGCEA Nominations, Elections and Credentials Commission ([NECC](#)) holds general elections annually in which the members choose their board of directors, delegates and union policies. On the following pages, you will find the information presented as written by the candidates for PGCEA Board of Directors-At-Large (four seats available, each serves a two-year term 2025-2027). See PGCEA [By-laws](#), [Policy Handbook](#) and Fair Campaign Practice Code for details.

BOARD OF DIRECTORS (BOD) is composed of three elected officers (president, vice-president, and treasurer) plus eight elected at-large members.

The Board is responsible for the fiscal affairs and general management of the Association, the interpretation of policies, the preparation of the proposed budget, and much more. The PGCEA Board of Directors sets the course for PGCEA and decides how to use its staff and resources.

MSEA and NEA DELEGATES represent PGCEA's interests at the annual state ([MSEA](#)) and national ([NEA](#)) Representative Assemblies. There are three types of delegates; two are elected in the PGCEA general election:

Election	Delegate
PGCEA (March)	PGCEA MSEA Delegates discuss and vote on proposed bylaw amendments, new business items, and resolutions for MSEA.
PGCEA (March)	PGCEA NEA Delegates adopt the strategic plan and budget, resolutions, the legislative program, and other policies of NEA.
MSEA (January)	MSEA Delegates to the NEA Representative Assembly and Convention Elect the executive officers, Executive Committee members, and at-large members of the NEA Board of Directors, as appropriate.

BY-LAWS: The PGCEA By-Laws are the governing documents of the Association. They may only be changed once a year by a super majority of 66% of those casting a ballot.

There are no proposed by-law amendments on the ballot.

WHY SHOULD YOU VOTE?

PGCEA, MSEA and NEA collectively advocate for educators employed by the public school system. They are the educators' protector in employment related matters, wage and benefits watchdogs and organizers who fight for fair funding. PGCEA is one of the top twenty largest locals in the country and the second largest in Maryland. Unified PGCEA members have a powerful voice throughout the organization. This begins with members choosing colleagues to govern and represent the interests of the union at the county, state and national levels.

VOTING IS QUICK AND EASY! IT'S ONLINE!

BOARD OF DIRECTORS

J'SHAUN JOHNSON

J'Shaun Johnson is a passionate advocate for education, seeking re election to continue her service as a PGCEA Board of Directors member, MSEA Delegate, and NEA Delegate. With over 24 years of experience in Prince George's County Public Schools (PGCPS), she has made a significant impact as an early childhood educator and leader, serving as a grade level chair, PBIS Committee Chair, and Wellness Committee Chair.

Beyond the classroom, J'Shaun's commitment shines through her role as a PGCEA Association Representative, Faculty Advisory Council Chair, PAC Captain, and delegate to the MSEA and NEA Representative Assembly. She has consistently championed the needs of students and educators, inspiring her colleagues and pushing for meaningful improvements in education.

A proud graduate of both PGCPS and Bowie State University, J'Shaun has dedicated her career to serving the community that shaped her. As a current member of the PGCEA Board of Directors, she continues to advocate for fair compensation, better working conditions, and enhanced professional development for educators. Her collaboration with stakeholders helps drive the progress of education policies, secure resources for schools, and build a supportive environment for both educators and students.

J'Shaun's unwavering dedication to student success, coupled with her leadership within the education community, makes her a valuable asset to PGCPS. Re-elect J'Shaun Johnson, a leader committed to turning vision into action and uplifting the future of education.

JUSTIN ROBINSON

Justin Robinson is a National Board Certified Teacher currently serving as a numeracy coach in the middle school math office and teaching 7th grade math at Drew-Freeman Middle School. In the last 14 years working for Prince George's County Public Schools, he has taught all four content areas and students in grades 6-12. He enjoys supporting middle school math instruction as a summer curriculum writer, a presenter, and a numeracy coach. In addition, Justin has served in a variety of leadership roles from Math Department Chair, Grade Level Chair, Master Scheduler, PBIS Coach, ELO coordinator, and textbook adoption committee member.

As a member of the association, Justin's most significant contributions have been to the Negotiations and Blueprint Committees. By participating in two bargaining cycles, Justin learned a lot about the needs and priorities of the membership that will be invaluable as a member of the Board of Directors. He considers himself lucky to have used his natural interests in research and math to help persuade the district to increase its financial package. In the Blueprint Committee, Justin is working with PGCPS Human Resources and the University of Maryland to represent the needs of the members as we jointly develop a Career Ladder. As a

classroom teacher in a k-8 academy, a middle school, and a high school, Justin has been able to articulate the perspective of different Unit 1 Members to the people who don't walk the halls of our buildings and he will bring the same level of advocacy to the Board of Directors. Since being elected to his first term as a member of the Board of Directors, Justin has also been appointed by Governor Wes Moore to the statewide Accountability and Implementation Board which oversees the Blueprint's historic school funding increases in the State of Maryland.

As a product of PGCPS (Go ERHS Raiders!) Justin has been excited to return home to teach and is equally excited to continue to advance the education system here in Prince George's County as a member of the PGCEA Board of Directors. He brings to bear the institutional knowledge, strategic understanding, and spirit of innovation that will help PGCEA push PGCPS to be what our membership and our students deserve.

MELISSA KENNEDY

I am pleased to announce my candidacy for PGCEA Board of Directors. I have had the pleasure of serving as a PGCEA Delegate to the MSEA Convention for 2023 and 2024. I have also had the opportunity to serve as a Delegate to PGCEA to the 2023 NEA Convention. These opportunities have afforded me the issue to network with educators from not only across the state, but also across the country as well. Ultimately what I have learned is that we are not alone. I also serve on the PGCEA Leadership and Professional Development Committee. This opportunity also allows me to listen to what type of PD members need and help them identify ways to find sessions they need.

I am running because I feel everyone deserves a voice at the table. What I have seen is that teachers feel they don't have a voice or don't feel safe to advocate for what they and their students need. I really want these members to know is that they have a worthy voice and deserve to be heard. I promise that I will provide a safe space to listen to your concerns and ideas.

"If not us, then who? If not now, then when?" (John Lewis)

DR. SUZANNE WINDSOR

Dr. Suzanne Windsor Educator Voice, Integrity, and Respect

I am Dr. Suzanne Windsor, a graduate of Gwynn Park High School entering my 32nd year as an educator and a member of PGCEA here in gorgeous Prince George's County. I began my career as an intern at Largo HS and Kenmoor MS before becoming a full-time English teacher at Crossland HS. As a new teacher, I was assigned all 9th grade classes and floated every period; thus, I am familiar with the struggles of being new. Later, as an English teacher for seniors, I assisted colleagues by providing coverage at nearby elementary schools during crises. This inspired me to become a Professional School Counselor (PSC) and my internship included work in early childhood, elementary, and secondary education. After serving as a PSC, I became the Chairperson for my department where I advocated for counselor working conditions, as my peers were frequently denied their contractual rights- even a duty-free lunch. From these experiences, I decided to increase

my advocacy and became a Pupil Personnel Worker (PPW). In my role as a PPW, I was assigned to many schools across the county and noticed a common thread in how my colleagues were not being treated in the professional manner that ALL Unit 1 members should be- both as a matter of principal and, more importantly, in accordance with our binding agreement with management through our Negotiated Agreement.

In my stand for justice, I have taken on increasing levels of responsibility in PGCEA. As a member of the Board of Directors, I worked diligently with leadership to ensure that a committee was in place to address contract language and member concerns. The Grievance Committee was born and evolved into the Contract Enforcement Committee during my tenure as the Vice President of PGCEA.

As the Vice President of PGCEA, I work to ensure that all members are not only paid a professional salary but treated with the dignity and respect due us! To accomplish this I have: chaired the Negotiations Committee with a phenomenal team of educators during our last negotiation; currently serve as the PGCEA Liaison to the Community Schools Steering Committee; participate in the PGCEA-PGCEA Evaluation Workgroup; and work with the Government Relations Committee to ensure that our concerns go before the legislature. I have also served on the: MSEA President's Advisory Council, MSEA Women's Concerns Committee, MSEA Minority Caucus, MSEA Asian American Pacific Islander Caucus, and the MSEA Native American Caucus.

To round out my leadership experience, I am nationally certified as a hearing official by the National Association of Hearing Officials (NAHO); held the position of Treasurer with the former Maryland Association of School Discipline Hearing Officers (MASDHO); Secretary for the Maryland Association of Administrative Law Judges (MAALJ); and Co-chaired the Ethics Committee for Maryland Association of Pupil Personnel (MAPP). Notably, I also completed Superintendent Training with the former (SUPES Academy) and hold a OBA with a concentration in Strategy and Innovation. Let me put my skills to work for you!

WILBERT I. BRINSON SR

After careful consideration and review of the requirements to serve as a PGCEA Board of Director, I humbly submit my intent to run and be elected for 2025 Board seat.

I have served the State of Maryland public education community for 21 years as a certified Career and Technology Education professional. I subsequently received my postgraduate degree in Organizational Leadership, followed with the completion of my Administrator 1 Certification.

As an educational leader, I currently serve at Bowie High School as the Academy Coordinator of the Architecture, Engineering and Construction Management Program and the College and Career Readiness Coordinator.

On the association level, I currently serve as the Co chair of the Membership and Organizing Committee with PGCEA. I've also served as FAC Chair, and a 3 term MSEA, and NEA delegate.

In addition, I have 15 years of industry experience as an architect and project manager in the OMV,

If elected, I commit to cultivating a vibrant and inclusive community with all stakeholders, committed to excellence in teaching, advocacy for competitive salaries, safe and orderly working environments, relevant professional development, targeted outreach, and advocacy efforts that reflect the diverse needs and aspirations of PGCEA members.

Vote Wilbert I. Brinson Sr. for PGCEA Board of Director

TAMMY O'DONNELL

Tammy O'Donnell Candidate for PGCEA Board of Directors, NEA Delegate, and MSEA Delegate

My name is Tammy O'Donnell, and I am excited to announce my candidacy for the PGCEA Board of Directors, as well as the positions of NEA Delegate and MSEA Delegate. I've had the privilege of serving on the PGCEA Board of Directors, where I have worked tirelessly to ensure our union continues to advocate for the resources and support necessary to empower our educators, students, and communities.

As a teacher, a parent, and a dedicated union member, I am deeply committed to advancing the mission of PGCEA. The work of the Board is the work of the members, and it is through collective effort that we will secure the changes we need from the district, county, and state to raise up our schools. There is still much to be done, and I am ready to continue the fight.

We face critical challenges in the coming year, including the start of negotiations—a process that will require a strong, unified Board to set the tone for success. We also need to increase our visibility locally and continue lobbying in Annapolis and Washington to ensure our voices are heard and our needs are met. Having served as an NEA Delegate, I witnessed firsthand the profound impact of advocating for students and educators on a national stage. It reinforced for me the importance of being loud, strong, and relentless in our pursuit of an education system that reflects our values as educators, not the expectations of politicians.

Beyond my direct service, I have worked to strengthen our union through leadership development. For the past three years, I've served as a presenter of Organizing 2 at MSEA's Summer Leadership Conference, collaborating with other union leaders to provide resources and strategies for building strong and resilient school communities. Additionally, I've attended the MSEA Conference annually, participated in the NEA Convention, and engaged in the NEA Leadership Summit, deepening my knowledge and commitment to union advocacy.

My work is not finished. I humbly ask for your support as I seek the hard work of representing you on the PGCEA Board of Directors and as a delegate for MSEA and NEA. Together, we can build a stronger, more active union that truly reflects the voices of its members.

Vote Tammy O'Donnell Loud. Strong. Heard.
