

## 2026 PGCEA General Election Guide

PGCEA's governance structure is similar to the state ([MSEA](#)) and national ([NEA](#)) affiliates. Each organization conducts its own election. The PGCEA Nominations, Elections and Credentials Commission ([NECC](#)) holds general elections annually in which the members choose their board of directors, delegates and union policies. On the following pages, you will find the

information presented as written by the candidates for PGCEA Treasurer (one seat available, serves a three-year term 2026 - 2029) and Board of Directors-At-Large (four seats available, each serves a two-year term 2026-2028). See PGCEA [By-laws](#), [Policy Handbook](#) and Fair Campaign Practice Code for details.

**The PGCEA TREASURER** manages the Association's funds, maintains accurate financial records, and oversees deposits as designated by the Board of Directors. The Treasurer chairs the Program and Budget Committee, provides monthly and annual financial reports, is bonded as required, serves as a delegate to state and national education association conventions, and presides at meetings in the absence of the President and Vice President when requested.

**BOARD OF DIRECTORS (BOD)** is composed of three elected officers (president, vice-president, and treasurer) plus eight elected at-large members.

The Board is responsible for the fiscal affairs and general management of the Association, the interpretation of policies, the preparation of the proposed budget, and much more. The PGCEA Board of Directors sets the course for PGCEA and decides how to use its staff and resources.

**MSEA and NEA DELEGATES** represent PGCEA's interests at the annual state ([MSEA](#)) and national ([NEA](#)) Representative Assemblies. There are three types of delegates; two are elected in the PGCEA general election:

Election	Roles & Responsibilities
<b>MSEA-RA (October)</b>	<b>PGCEA MSEA Delegates</b> discuss and vote on proposed bylaw amendments, new business items, resolutions on behalf of the MSEA. Delegates also elect NEA Executive Officers, Executive Committee members, and At-Large members of the NEA Board of Directors, as appropriate.
<b>NEA-RA (July)</b>	<b>PGCEA NEA Delegates</b> adopt the NEA's strategic plan and budget, resolutions, legislative program, and other policies.

**BY-LAWS:** The PGCEA By-Laws are the governing documents of the Association. They may only be changed once a year by a super majority of 66% of those casting a ballot.

### WHY SHOULD YOU VOTE?

PGCEA, MSEA and NEA collectively advocate for educators employed by the public school system. They are the educators' protector

in employment related matters, wage and benefits watchdogs and organizers who fight for fair funding. PGCEA is one of the top twenty largest locals in the country and the second largest in Maryland. Unified PGCEA members have a powerful voice throughout the organization. This begins with members choosing colleagues to govern and represent the interests of the union at the county, state and national levels.

### TAMMY O'DONNELL

Tammy O'Donnell Candidate for PGCEA Treasurer, NEA Delegate, and MSEA Delegate Tammy O'Donnell for PGCEA Treasurer, NEA Delegate, and MSEA Delegate Loud. Strong. Heard. My name is Tammy O'Donnell, and I am excited to announce my candidacy for PGCEA Treasurer, as well as for NEA Delegate and MSEA Delegate. I've had the privilege of serving on the PGCEA Board of Directors, where I've worked tirelessly to ensure our union remains a powerful voice for educators, students, and our community. Most recently, I served as a member of the negotiations team, advocating directly for fair compensation, improved working conditions, and respect for the vital work we do every day. I'm never afraid to speak up and say what needs to be said—because our members deserve someone who will fight loudly and unapologetically on their behalf. As a teacher, parent, and proud union member, I am deeply committed to advancing PGCEA's mission. The work of the Board is the work of the members—and through our collective action, we can secure the changes our

schools, students, and educators need. As Treasurer, I will bring both fiscal responsibility and a clear voice to ensure our priorities reflect the needs of our members—not outside interests. Having served as an NEA Delegate, I've seen firsthand how powerful our advocacy can be at the state and national levels. Those experiences reinforced the importance of being loud, strong, and relentless in our pursuit of an education system that reflects our values as educators. My work is not finished. I humbly ask for your support as I continue to represent you—as PGCEA Treasurer, and as a delegate for MSEA and NEA. Together, we can build a stronger, more active union that truly reflects the voices of its members. Vote Tammy O'Donnell Loud. Strong. Heard.

Educators continue to face significant challenges in today's society—from addressing student mental health and ensuring school safety to promoting equity, inclusion, and respect for the teaching profession. Now more than ever, a strong and unified Board is essential to drive meaningful progress.
